VICE PRESIDENT

St. Mary Parish School Board

October 27, 2020

FOR IMMEDIATE RELEASE

RE: Hurricane Zeta School Closure and Distance Learning Scheduled

The approach of Hurricane Zeta will necessitate the closure of schools and offices of the St. Mary Parish School Board on Wednesday, October 28th. Students will be scheduled for distance learning in lieu of attending school on campus October 28th, which will support ongoing instruction while remaining safe under severe weather conditions.

The school system will reopen for on-campus learning on Thursday, October 29th and asks that parents remain in communication with their child's school as any updated information is posted on district and school websites.
