St. Mary Parish School Board Investigates Social Media Post

On August 9, 2024, Wyandotte Elementary was informed that a video featuring a student was posted on social media. The St. Mary Parish School Board is addressing the situation in accordance with our established policies and guidelines.

Please be assured that we are handling this matter with the utmost confidentiality to protect all individuals involved, particularly the student. The student's family has made a formal request for privacy and should not be contacted regarding this issue.

Accordingly, no further comments will be made on this matter to adhere to confidentiality requirements. The School Board is committed to upholding the highest standards of privacy.

Thank you for your understanding and cooperation.
